MANOR HOUSE · 645 M² · 10 BEDROOMS

A historic country house in the green outskirts of Vila do Conde, close to Porto and the Atlantic: strong bones, old trees and generous proportions, waiting to be curated rather than remodelled.

THE PROPERTY

A historic country house in Vila do Conde, near Porto and the Atlantic, offering generous original proportions and mature grounds. A renovation project with strong architecture and clear potential for a refined private retreat, with space for gardens, outdoor living and a discreet pool set into greenery.

THE PLACE

The countryside around Vila do Conde is green and gently rolling, a landscape of old estates and stone villages a few kilometres from the Atlantic. The town itself, where the Ave meets the sea, brings a convent, a maritime past and long sandy beaches. Porto and its airport are close by road and metro, so country privacy never means isolation.
