

The Great *Green House*

€1,050,000

MANOR HOUSE · 784 M² · 4 BEDROOMS

Some houses are bought for what they are. The Great Green House is bought for what it has been: the home and working archive of one of Portugal's great scholars of the azulejo, restored for the next hundred years.

THE PROPERTY

Restored three storey manor house with 784 sqm built area and a 605 sqm walled garden, featuring four bedrooms (three en suite), library, attic, basement, pool and garage. Defined by landscaped outdoor spaces and refined interiors with an Estremoz marble kitchen, The Great Green House offers a composed country living experience in the historic centre of Portalegre.

THE PLACE

Portalegre sits where the Alentejo plains rise into the Serra de São Mamede, cooler and greener than most of the south. It is a town of convents, baroque churches and a living tapestry tradition, with a quiet cultural depth of its own. Marvão and Castelo de Vide are close by, and cork forests, olive groves and old estates open in every direction.
